Sub: Intimation under Regulation 30 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

This is to inform you that Best Crop Science Private Limited, a wholly owned subsidiary of the Company has been granted Licence for the following:

1. Registration u/s 9 (3) for indigenous manufacturing of the company's much-awaited patented ternary insecticide which covers the composition of Pyriproxyfen 8%, Diafenthiuron 18%, and Dinotefuran 5% in a unique suspension concentrate formulation. The company received the patent in August last year & will launch it by the brand name Ronfen. With this the Company becomes the first Indian agrochemical company to manufacture this first-of-its-kind, three-way insecticidal combination that effectively controls the entire sucking pest complex in various stages in one shot. Ronfen was under extensive scale field trials for the last two years. Due to its incredible power on the entire sucking pest complex Ronfen was much awaited by the farmers in India and abroad.
2. Registration u/s 9(4) FIM for indigenous manufacturing of Dinotefuran 15 % + Pymetrozine 45 % WG. The company has decided to launch it with the brand name AxeMan. With its dual mode of action, helps in protecting the rice crop from the devastating pest BPH which develops high resistance against all agrochemicals. AxeMan provides healthy and vibrant tillers at the reproductive stage and helps in the long-duration control and resistance management of BPH in paddy.

The Company has also received registration u/s 9(4) TIM for technical manufacturing of Pyriproxyfen Sodium 90% Min .

Submitted for your information and record.

Thanking You,

Yours Faithfully,

For BEST AGROLIFE LIMITED
